September 13, 2011

To: West Lafayette Board of Works

From: Sergeant John Watson

Reference: Sidewalk Closure Request

DK Construction Corporation will be dismantling the façade of the building located at 308 West State Street, formerly Follett's Bookstore. As part of this construction the sidewalk directly in front of this building needs to be closed for safety and security of pedestrians and motorists. This closure will begin on Monday, October 10, 2011 at 0700 and will remain in effect until Friday, October 14, 2011 at 1700. This is a daytime only closure with the sidewalk opened back up after normal work hours.

The area will be fenced off to prevent pedestrians from walking into the construction area. Signage will be placed in appropriate locations to direct pedestrians to marked crosswalks.

I have met with the construction company and they have agreed to be in compliance with fencing off the sidewalk and immediate area as well as posting the appropriate signage. I will attend this area on the morning of October 10, 2011 to assure the construction company has met these requirements. This project is being overseen by the West Lafayette Engineers and Redevelopment Offices.

Respectfully,

A handwritten signature in black ink, appearing to read "John Watson".
